

## Auction And Sale A Great Success

The St. Francis Historical Society, together with the City of St. Francis and the St. Francis Police Department, held a fund-raising auction and bake sale on May 6th at the Milton Vretenar Memorial Park.

About 30 people turned out on the sunny but chilly Saturday. Temperatures in the low 50s didn't dampen sales or the generous spirit of the crowd.

All 62 bicycles of various makes and models were sold, as well as, each of the pieces of municipal equipment during the auction that lasted a short hour.

A special thanks to Sal of Papa Luigi's, who acted as the auctioneer for the event. He's great at getting the crowd enthused and moving those sales along!

Proceeds from the auction and the baked goods sale totaled approximately \$ 750 and will benefit the Historical Society and the Police Department.
