PUBLISHED BIMONTHLY

November 2009 Issue

In the next issue we will be featuring a report written by Kim Cummings entitled "St. Francis Street Names and Their History".

Enclosed you will find a list of candidates for our election meeting on Saturday, November 14, 2009. The meeting will be held in the lower level of the St. Francis Public Library at 10 a.m.

A very large thank you to our members Maggie and Jerry Luczywko who were the driving force in making the Fall Festival at the library a success. The monies collected at the festival were donated to the St. Francis Historical Society. We thank them for their generous contributions.

We would also like to thank the South Milwaukee Amateur Radio Club who donated \$400 to our society and other local historical societies. Their largesse is greatly appreciated.

You are invited to the annual St. Francis Historical Society Christmas party. See the enclosed invitation for further details.

Why God Made Moms (answered by 2nd grade children)...

God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean.

She's the only one who knows where the scotch tape is.

Mostly to clean the house.

To help us out of there when we were getting born.

Mom doesn't want to be boss but she has to be because dad is such a goofball.

Moms have magic, they make you feel better without medicine.
