## Programs

**Programs:** St. Francis Hist. Society has been working with local schools to provide historical info about the area. Anna has visited the local 2nd grade classes. We worked on getting the Koenig house a historic designation. The largest project was cleaning up the Protestant cemetery. We have raised money to restore headstones and we have paid for ground penetrating radar in order to mark the graves of the cemetery. We will be dedicating civil war headstones and will continue our clean up of the area.
