Programs

The Lake Protestant Cemetery was a major project that has been on going. We dedicated two civil war veteran headstones along with cleaning and fixing other headstones in the cemetery. Anna Passante released her second book on the history of St.

Programs: Francis, focusing her efforts on the research done on who is buried in the cemetery that was once neglected. We also hosted many bake sales and other events open and free to the public to get the citizens of St. Francis engaged in the history of our town.
